

## **The Window Store Get Into the Summer Spirit**

With temperatures soaring and World Cup fever in full flow The Window Store have been getting everyone in the summer spirit by running a competition on their website to win a top of the range barbecue.

To enter the competition all applicants had to do was log on to the website and answer a simple question and with over 3000 entries the competition was a great success. The lucky winner was drawn at random on 30<sup>th</sup> June 2010 and we are please to congratulate Darren Power of Cirencester.

Darren, a customer of the Cheltenham Window Store is now the proud owner of a brand new barbecue and can definitely make the most of this summer.

The Cheltenham branch opened in March on Kingsditch Trading Estate and has got off to a flying start beating targets and having already built a large regular customer base.

Darren, who is a carpenter and window fitter by trade owns 'House Projects 4U' said "Winning the barbecue competition was a great surprise and yet another perk of using The Window Store. The service and product I get from The Window Store are second to none and the support is superb."

Dean Powell, branch manager added "We're thrilled one of our customers won this quarters competition and would like to congratulate Darren.

"We value all our customers and will continue to do our best to ensure they get the service and the support they need. Our newsletter and competitions are a great way to get customers involved in the business and keep them up to date with the latest news so look out for our next one."

With 15 branches across the South of the country and over 30 years experience The Window Store can offer experience, convenience and most importantly stability. Add to that our ever increasing range of products, helpful staff and free local delivery and you have the complete package.

For all your PVC-U building product requirements contact your local branch by visiting [www.windowstoreplastics.co.uk](http://www.windowstoreplastics.co.uk)
